

2016 TRAMINETTE

WINE AROMA

Our Traminette presents floral notes layered with tropical fruits, such as pineapple, guava, and kiwi.

WINE PROFILE

The palate is alive with fresh tropical fruit and floral nuances and a hint of honeysuckle. The fruit and acid creates the perfect balance that allows the wine to finish long and clean.

PAIRING

This wine enhances spicy Thai dishes, orange roughy, or a bleu cheese bacon cheeseburger. Serve with a creamy Gouda cheese to delight your family and friends.

EASLEY WINERY

Established in 1974, Easley Winery is Indiana's oldest family-owned winery. Depending on the year and season, Easley Winery offers over 20 different wines. The tradition of making great wines people will enjoy is the passion of second-generation owners Mark & Meredith Easley.

Today, we balance the benefits of modern winemaking technology with the desire to create a supreme wine that reflects the natural qualities of the grapes. Our winemaker, Jeff Martin, is continuously challenged to capture the best of the grape, improve it and make it available for us to enjoy.
