

INDIANA CHAMPAGNE

AWARDS

Best Indiana Sparkling Wine, 2014 World Wine Championships, Chicago, IL

WINE PROFILE

This naturally fermented champagne has a light to medium golden straw color with aromas of green apple and dried figs with light tropical tones. The palette explodes with creamy fresh fruity flavors that linger.

PAIRING

Any occasion is the perfect time for a fruity bubbly wine! It can be enjoyed with fruit and cheese platters or just because. Easley Indiana Champagne is always fitting as a gift and for good luck, keep one chilled at all times in your fridge.

EASLEY WINERY

Established in 1974, Easley Winery is Indiana's oldest family-owned winery. Depending on the year and season, Easley Winery offers over 20 different wines. The tradition of making great wines people will enjoy is the passion of second-generation owners Mark & Meredith Easley.

Today, we balance the benefits of modern winemaking technology with the desire to create a supreme wine that reflects the natural qualities of the grapes. Our winemaker is continuously challenged to capture the best of the grape, improve it and make it available for us to enjoy.
