GOLD, 2018 San Francisco Chronicle, San Francisco, CA

The Heavyweight

In a world where everyone gets a participation trophy, we are fighting back with a perfection that only 40 years can bring. Made proudly in the heart of an urban landscape where only the best survive, our wines are tried and tested by experts, amateurs, and everything in between.

With all that behind him, our winemaker has crafted a Red Blend that only experience and hard work can perfect.

The Crush

Dressed in the silk of French and American White Oak, No Opposition Red Blend throws a three-punch smokey combination of Cabernet Sauvignon, Zinfandel, and Syrah. Not for the faint of heart, this combo steps into the ring and wins with a jab of rose and dark berries. The finish of white pepper, lingering tobacco, and 12 months in toasted oak bring home the win.

The Knockout

Determined to compete, this explosive wine delivers with robust, ripe fruit. Take your time ringside and taste how this wine maneuvers— at first full bodied for the main event, it parries with a follow through that demands another round. Nothing is held back, there is No Opposition.
