KAUFFMAN HISTORY

Harley Kauffman began making wines in 1976 at Kauffman Vineyards in Posey County, Indiana. One of his original blends was Posey Red, a semi-sweet red wine made from quality grapes grown right in Posey County. The importance of family is present in every Kauffman bottle, as the family crest adorns its face.

His legacy lives on in Jeff Martin, winemaker for Easley Winery. As Kauffman's grandson, Martin grew up in the vineyards and learned at an early age the importance of attention to detail in every bottle of fine wine. We hope you enjoy the fruits of our labor.
