

# No Opposition

## Dry Rosé

**BOLD • AMBITIOUS • CONFIDENT**

### The Heavyweight

In a world where everyone gets a participation trophy, we are fighting back with a perfection that only 40 years of winemaking can bring. Made proudly in the heart of an urban landscape, where only the best survive, our wines are tried and tested by experts, amateurs, and everything in between.

With all that behind him, our winemaker has crafted a Dry Rosé that only experience and hard work can perfect.

### The Crush

Introducing in this corner a bright challenger from the 2018 harvest that is quickly rising in the ranks. As the black cherry and watermelon aromatics dance around the glass, swirling in the silk of pink, you wonder what is the potential of this new entry in the ring.

### The Knockout

Long and lean with light citrus across the mid palate. When the final bell rings with a lilac feather finish you will be glad your money was on No Opposition Dry Rose.

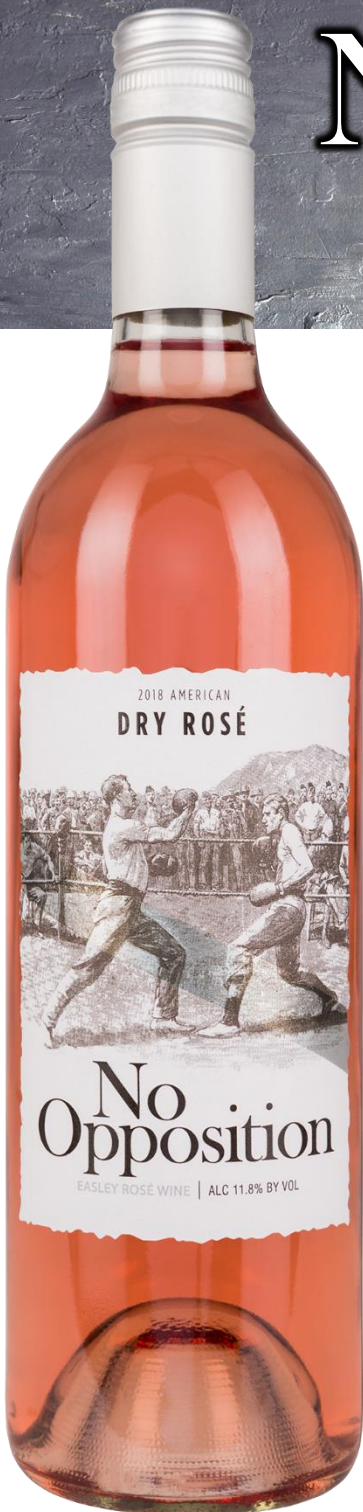

### The Team Mate
